

Ventilateur

HAMMERFEST – R66592031

excl. 1x E27 · max. 60W

Caractéristiques:

- 3 niveaux de vitesse
- Montage au plafond
- IP20
- Ampoule(s) non incluse(s) dans l'emballage
- Interrupteur de trait
- Interrupteurs séparés
- Fonctionnement été et hiver
- Ventilateur

The HAMMERFEST fan is based on tried and tested classics - and that's exactly what makes it so charming. With its timeless fan design and practical pull switch, it brings a pleasantly nostalgic feeling to the ceiling and provides a breath of fresh air in an uncomplicated way. Three speed levels can be set using the pull switch - simply pull, lean back and enjoy the desired breeze. The light can be switched separately from the fan so that you can flexibly decide at any time whether you want air, light or both. Thanks to summer and winter operation, HAMMERFEST also scores with functionality all year round: in summer it provides cooling, in winter it supports efficient distribution of warm room air. The classic look is rounded off by the harmonious combination of white matt metal and white matt MDF, which gives the fan a calm, timeless elegance. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.

Couleur et matériau:

Coloris: Blanc mat
Matière: Plastique

Dimensions:

Hauteur: 40 cm
diamètre: 106,5 cm
Poids: 4,1 kg

Données techniques:

Source lumineuse: excl. 1x E27 · max. 60W
Degré de protection: 1
Classification IP: IP20
