

Ventilateur

OSLO – R69692102

incl. 1x SMD, 20W · 1x 2300lm, 2700 – 6500K

Caractéristiques:

- 6 niveaux de vitesse
- Montage au plafond
- Variateur intégré
- IP44
- Couleur de lumière infiniment variable
- Veilleuse de nuit
- Ne convient pas pour variateur externe
- Télécommande
- Interrupteurs séparés
- Fonctionnement été et hiver
- Minuterie
- Ventilateur

The OSLO fan brings a breath of fresh air and atmospheric light into perfect balance. It combines pleasant air circulation with modern lighting, ensuring a comfortable room climate all year round. Thanks to the practical hanging bracket, the ceiling fan is quick and easy to install - without any major effort. With its IP44 protection rating, OSLO is not only ideal for living rooms, but also ideal for damp rooms such as bathrooms or for outdoor use, for example on a covered patio. On hot summer days, it provides a pleasantly cool breeze, while in the evening hours it provides just the right amount of light. The light and fan can be switched separately and conveniently controlled by remote control. Whether brightness, light colour or air flow - everything is individually adjustable. The fan has six speed settings, a practical timer function and a discreet night light that creates a relaxing atmosphere. The modern design is rounded off by the elegant combination of black plastic and high-quality black aluminium, which makes the fan a stylish eye-catcher on any ceiling. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Couleur et matériau:

Coloris: Noir
Matière: Métal

Dimensions:

Hauteur: 42 cm
diamètre: 51 cm
Poids: 2,6 kg

Données techniques:

Source lumineuse: SMD (intégré)
Watts: 20W
Lumen: 1x 2300lm
Kelvin: 2700 - 6500K
Indice de rendu des couleurs (IRC): > 80 CRI
Durée de vie: 30000h
Cycles de commutation: 15000x ON/OFF
Degré de protection: 1
Classification IP: IP44

Informations revendeurs:

EAN: 4017807689136
Code douanier: 84145100900

Dimensions de l'emballage:

Largeur: 56 cm
